

JOB OFFER

To cope with the growth of our business, we are looking for: **CONSULTANT IN OPERATIONAL EXCELLENCE AND CHANGE MANAGEMENT SPECIALIZED IN PURCHASING (M/F)**

Your mission

Integrated into a project team at the client, as a consultant in Organization and Change Management, you will:

- Analyze key processes and propose solutions for simplification and improvement;
- Implement proposed solutions and changing attitudes;
- Support our customers in improving their performances;
- Facilitate the implementation of the company's strategy;
- Become the privileged interlocutor of both the general management and the operational staff;
- More specifically regarding your Purchasing expertise:
 - Carry out audits of the purchasing function within the customer (diagnosis);
 - Improve purchasing organisation performances;
 - Optimize purchases costs: implement procurement management tools such as Market Intelligence, Cost Breakdown Structure, supplier segmentation (Kraljic), supply risk management, ability to lead negotiations, etc,

Your profile

We are mainly looking for bac + 5 graduates with a Master's degree in Purchasing Management or from major business schools, engineers or universities with less than 3 years' professional experience in procurement or consulting:

- Motivated and flexible, you have already demonstrated your adaptability and autonomy;
- Rigor, humility, creativity, motivation and team spirit are essential qualities for success;
- You are fluent in French, both in oral and written communication combined with a good sense of formalization;
- You are proficient in English; knowledge of a third European language is an asset;
- Ideally, you have completed an additional training in purchasing (ex: specialist buyer's diploma from ABCAL);
- Knowledge of public procurement is an asset;
- Knowledge of market places, reverse auctions or software such as ARIBA, Bravo, Coupa, Beeline,... or similar solutions is an asset;
- You accept frequent trips abroad while being attached to Luxembourg,

We offer

- Enriching and diverse expériences;
- Coaching by experienced consultants;
- Genuine career opportunities within a growing firm;
- An open-ended contract, linked to an attractive salary package (company car, etc.), evolving quickly according to your personal success,

At Resultance, consultants build expertise quickly and become recognised by top managers.

Resultance is a specialist in operational process optimisation and change management advice. Our company based in Luxembourg is internationally recognised for:

- A result-oriented culture;
- A pragmatic approach;
- The strong engagement of its consultants;
- The development of privileged relationships with its clients (as well Large Accounts as SME's).

We are active in many different sectors: bank-and insurance, services industries, process industries (steel, chemical, and glass), production, automotive, medical high-tech, retail, airlines, etc.

For 15 years our 70 consultants have developed diverse functional expertise: Operational Excellence and agility, Supply Chain optimisation, Business Process Management, Operational Efficiency, Organisational Redesign, Lean Manufacturing and Office, etc.

Our pragmatic approach is creating opportunities for your professional growth in Luxembourg, Belgium and abroad.
